Our Missions

Ara Parseghian: The Ara Parseghian Medical Research Foundation is a grassroots, non-profit organization dedicated to funding medical research projects to find a treatment for Niemann-Pick Type C (NP-C) disease and related neurodegenerative disorders.

Lou Holtz: Founded in 1998 by Lou and Beth Holtz, the Holtz Charitable Foundation is a nonprofit grant-making corporation. The Foundation's mission is to promote Christianity, education, and charity through fund-raising activities as well as private and corporate donations.

Brian Kelly: The Kelly Cares Foundation was established by Brian and Paqui Kelly to support organizations, initiatives and programs that closely align with the goals and values of the Kelly family. A strong emphasis has been made on three main pillars: Health, Education, and Community.
